Question 1 of 32

How often do you discuss work with your colleagues, in order to think up new systems and styles of working?

How to Answer

Answer Example

Answer Example

"Based on your culture and focus on innovation, I believe that this is an important ability for Safaricom Limited's teams to have. I currently have a policy with my team that if they have an innovative and helpful idea they can bring it to me at any time. If their idea or system is something that I think could work, we then

office over the past three years including a work-share program and some health and safety initiatives. I would relish the opportunity to brainstorm and ideate with Safaricom Limited colleagues to provide elegant, real-world options and solutions that help transform how the world communicates."
